Sweet Home Collection

made by

Glasmark

Sweet Home Collection is a new product line, designed by Glasmark Company. The idea of the Collection is home, which is our peaceful shelter after a long day of work.

Sweet Home design, and its magical house was designed with passion and care about all the details. Classical black style makes the Collection both simple and original. You can easily combine it with other tableware!

Sweet Home Collection is devoted to those, who like simplicity and elegance in their homes. It is the best idea for a perfect table arrangement.
